Subject: Marie Curie Call – Post-Doctoral Fellowships (open call 2021)

Dear colleague,

Hope everything is ok with you and your relatives.

I am sending this email as the 2021 call for Marie Curial Post-Doctoral Fellowship just opened (deadline: 12 October 2021).

Accordingly, if you know any student willing to perform their research at UMINHO (please note that there is a special slot for widening countries), please kindly inform to contact me.

Due to the excellence level of this call, we are looking forward for students with strong Curriculum Vitae.

In terms of topics we are currently looking for students willing to send proposal on the topic of civil infrastructures assessment and management.

Best regards,
Jose C. Matos
